

At Lincoln Industries, we offer a wide range of capabilities including fabrication, assembly, packaging, warehousing and many others. Almost all projects are finishing intensive which means the parts are highly cosmetic or technically difficult to finish. Following are the finishes provided by Lincoln Industries:

<b>Finish</b>	<b>Specification</b>	<b>Tank Size</b>
<b>Anodizing (Sulpheric)</b>	MIL-A-8625 TYPE II AMS-2471 AMS-2472	20" width x 132" length x 32" depth
<b>Anodizing (Hard Anodizing)</b>	MIL-A-8625 TYPE II MIL-C-60535 AMS-2468	36" width x 80" length x 40" depth
<b>Black Oxide</b>		22" width x 39" length x 32" depth
<b>Cadmium</b>	QQ-P-416 TYPE I & II AMS-2400	22" width x 39" length x 32" depth
<b>Chromate Conversation Coatings of Aluminum Alloys</b>	MIL-C-5542-1A-3 MIL-C-17711	20" width x 132" length x 32" depth
<b>Copper</b>	MIL-C-14550 ASTM-B734	30" width x 42" length x 32" depth
<b>Electroless Nickel</b>	MIL-C-26074 AMS-2404 ASTM-B733	18" width x 24" length x 20" depth
<b>Electropolishing of Stainless Steel (300 Series)</b>		18" width x 108" length x 32" depth
<b>Gold</b>	MIL-G-45204, I & II, C	12" width x 12" length x 12" depth
<b>Hard Chrome on Steel</b>	ASTM B177	15" width x 132" length x 52" depth
<b>Nickel</b>	QQ-N-290 AMS-2403	32" width x 132" length x 32" depth
<b>Nickel Chrome on Steel</b>	QQ-N-290 QQ-C-320	32" width x 132" length x 32" depth
<b>Nickel Chrome on Stainless Steel</b>		12" width x 120" length x 40" depth
<b>Nickel Chrome on Aluminum</b>		12" width x 120" length x 40" depth
<b>Nickel Chrome on Brass</b>		12" width x 56" length x 39" depth
<b>Passivation</b>	QQ-P-35	18" width x 24" length x 20" depth
<b>Phosphate Coatings</b>	DOD-P-16232, M	22" width x 39" length x 32" depth
<b>Polishing</b>		
<b>Satin Nickel</b>		12" width x 60" length x 36" depth
<b>Sulfamate Nickel/Hard Chrome</b>		30" width x 42" length x 32" depth
<b>Tin</b>	MIL-T-10727, I	22" width x 39" length x 32" depth
<b>Tin-Lead (60-40)</b>	MIL-P-81728	22" width x 39" length x 22" depth
<b>Vibratory Finish</b>		
<b>Zinc (Rack)</b>	QQ-Z-325 ASTM-B-633 MIL-T-12879 AMS-2402	18" width x 96" length x 56" depth
<b>Zinc (Barrel)</b>		16" diameter x 36" long
<b>Zinc Nickel (Barrel)</b>		16" diameter x 36" long
